6. His Livingroom

He is born in October in the starsign Libra and is now 40 years old.(1990)

His farm is 150 years old. Armand Assante is now known to be an actor in both movies and TV. His look and physical appearance gives him an advantage to interpret all possible roles with alot of talent.

Privatly Armand Assante admits he is not very sociable.

He was born and raised at Mahattan, New York City by an italian father and an irish mother (It should have said by a father from italien heritage as well as mother from irish heritage, both Armand Assantes parents are born in USA. webmaster)

He has got two sisters and all his life he was surrounded by weman, he also got two daughters. The daughters Anya and Alessandra are all his life.

He says with a laugh: "I have to live in a world of weman !"

Married since 1988 to actress Karen McArn, Armand was the lover of Dyan Canon, before meeting Karen who became his wife.

People who love Armand Assante will remember his performance as an actor in following movies : " Napoleon" (Napoleon and Josephine, A love Story", "Jack The Ripper", "Belizaire The Cajun" which are some his best movies with the his best performances.

He has recently been seen in "Unfaithfully Yours" as well as we will soon watch him in following 3 movies: "Eternity", Animal Behavior" as wel as "Q&A" which are currently in production.

His 150 years old farm has 146 acres of land hidden behind the hills and here he spends his best time. He has got two horses Gauguin and Charlemagne and mans best freind a dog named Blackstar.

At the day at this interview his wife was'nt at home, but with love and pride he introduced his to daughters.

He likes a good italian wine with a full body and a cognac.

One thing Armand never mentioned was his great impact on weman who loves his masculinity.
